CSEE

CE305-6-SP Assignment 1: Expression Analyser Guidelines

Guideline 1
Achieve by: **Monday, February 1, 2021**
MAKE A GOOD START
Read through the entire assignment brief. Query any parts you don't understand with the supervisor. Make a high-level plan for your assignment, and begin to practice some lab exercises.

Guideline 2
Achieve by: **Monday, February 15, 2021**
HALFWAY THERE
Begin to develop the key features required by the assignment. Tabulate any data or present the findings of your research.

Guideline 3
Achieve by: **Monday, February 22, 2021**
THE HOME STRETCH
Begin to develop the additional features required by the assignment. Review the layout and format of your work. Pull you work together into a single document, if possible, and upload this working copy to FASER.

Deadline
Achieve by: **Wednesday, March 3, 2021**
WE DID IT!
Make sure your document(s) are titled clearly, and are saved as the correct file type. Double-check the right versions are uploaded to FASER. Do a little victory dance, then on to the next challenge!
